### First Bench List

Faculty members will turn in reports for the first "Bench List" which will be composed at 5 p.m. today and posted Saturday the 8th of October.

The pages of literature came to life last night as the Morrison dining hall students presented "Fantasy Land."

Sponsored by the LSP society host and hostess, the program was one of the most unique and colorful seen in the dining hall this semester.

Each group of students assigned to the various tables chose some book or rhyme as its theme for the evening. They then decorated their respective tables accordingly and came to the meal dressed as characters in the theme.

Many interesting scenes were presented with the winning table acting out Robert Louis Stevenson's thrilling "Treasure Island." Seated at this table was Alan Rodda, a speech major from Walla Walla, Washington. He is a freshman and an Olympian. Jim Quick, a Freshman from Eugene, Oregon who is majoring in business administration and is a SLA. Carol Russell, a Nampa freshman and an ADP.

Joyce McConnell, a freshman from Roseburg, Oregon; Donna Murray, a home ec. major from Eugene, Oregon who is a senior and a SLA; Wayne Rogers, a freshman education major from Sandpoint, Idaho; Wayne Rouse, a freshman business major from Coeur d'Alene; Betta Meyers a freshman elementary education major from Stevenson, Wash.; Pat

### Introducing 55-56 Crusader Staff

Editor Duane Olson today announced several changes which have been made in the staff that will publish the 1955-56 Crusader.

Assistant editor, this year will be Janet Johnson, from Portland, Oregon. She is a sophomore, majoring in English and is an Olympian.

David Mitchell has accepted the position of business manager. A junior, from Boise, he is majoring in business administration and is a SLA. He will be assisted by Carolyn Ketchum, a sophomore, from Eugene, Oregon. Carolyn is a business major and an ADP.

Eleanor Horne, an elementary education major, from Nampa, is

Seated at the winners table they are, left to right, Brad Saffell, Alan Rodda, Jim Quick, Fat Nichol, Carol Russell, Joyce McConnell, Donna Murray, Betta Meyers, Wayne Rouse and Wayne Rogers.

Nichol, an elementary education major from Fargo, N. D.; and Brad Saffell, a freshman from Sheridan, Wyoming.

The judges, Prof. and Mrs. Leupp and Mrs. (Mom) Gellar, awarded the "Birthday Party" table second place and the "Cow Jumped Over the Moon" table third place.

The students at the winning table didn't spare anything in carrying out their theme. The table, which was placed in a cardboard boat, was furnished with tin plates and tin cups. The skull and cross-bones flew from the flagstaff and in the bow rode a genuine human skull.

The blood-thirsty crew was dressed in true buccaneer garb and brandished knives and swords while lustily singing:

"Fifteen men on a dead man's chest.  
Yo-ho-ho and a bottle of root-beer."

### Budget Passed 180-12

Wednesday the Associated Student Body passed the first semester budget for this year. The budget had previously been passed by the student council and the administrative council before being presented to the students.

The budget for this semester is similar to last year's first semester

budget. Only minor changes were made. The changes included an additional sixty dollars for the athletic department and an additional fifteen dollars for the high school.

The Speech Club was not allotted any funds for this semester. Forensics received one hundred dollars above that which they received first semester of last year.

Although the budget is four hundred dollars more than that of last year, a deficit of over three hundred dollars makes the effective budget only one hundred dollars over the first semester of last year.

One hundred and ninety eight students voted in the election Tuesday. Freshmen, in college, and College High School students were not allowed to vote for Who's Who.

All College Students and the 10th, 11th and 12th grades in the high school were allowed to vote in the budget election which was held in connection with the Who's Who election.

The budget was passed by a vote of 180 to 12. Six students who voted did not mark the budget ballot.

The results of the Who's Who election will not be released until they have been approved by the national Who's Who association.

## Friendship — Why?

By Thomas Leupp  
Dean of Students

To have a friend you must be a friend. Recently in our Counseling and Guidance class, each member indicated who his best friend was and why. Many excellent points were considered and I would like to share a few of them with you. Following are some of the class members' ideas.

"She made me feel at ease by being friendly — we helped each other with our problems — by her very life she uplifts me spiritually — we both have interests in common — a real interest in people as individuals — always ready to help — the same all the time — could trust each other — not afraid of hard work — very good sense of humor — teaches by her actions and her Holy life — knows your faults but loves you anyway — a true friend will be a friend on

and on — her personal habits are refined — great potential for leadership — a lovely Christian character of sterling quality — since we are not exactly alike, we are better friends — keeps her own counsel and does not betray confidences — able to forgive — talks over sensitive matters realistically and unemotionally — sense of ease in conversation — very very sincere — both proud of the other's achievements — wonderful time working together — inconvenience does not waver my friend's willingness to assist in time of need — warm smile and cheery greeting — thoughtful, considerate, loyal — he never talked behind my back — one of the busiest persons around, yet she finds time to say a kind word or a friendly How are you — to give as well as take — never too busy to take time to pray — gives attention to the little things — would stand up to any situation — always ready to listen to my story of success or failure."

When you have read this, I trust you will resolve with me to be a better friend.

## Trojan Talk

By Dave Jackson

Recently the members of the CHS "Boots and Saddle Club" had their first club outing. Eighteen of the twenty-five members were present and rode their horses to Lake Lowell. The group consisted of fifteen students, Mr. Feltar, Mr. Jackson, and Mr. Vail.

True western flavor was added to the ride as they drove a herd of cattle from one pasture to another. At the lake they unsaddled their horses and gathered around the "chuck wagon" (Mr. Feltar's car) for a frankfurter roast. After lunch the group saddled up and

played tag in and out of the sage brush.

Last Friday the high school was filled with enthusiastic football fans. The Pep Club added to the excitement by making "Beat Melba" lapel tags in the shape of small footballs. A Pep Rally highlighted the forenoon activity. This display of school spirit was to support the scheduled afternoon game with the Melba Mustangs.

The rooters were rewarded with an exciting game. The Trojans downed the Mustangs in the last three minutes with a TD and extra point. The final score was 7-0 in favor of dear old CHS.

## Looking Around

With MARVIN BRUNSON

The outstanding educators in the Nazarene Church have been on our campus this week for the educational conference. In associating with some of these people I have come to wonder what makes a person really great.

Some people complete their education and then seem to drop into oblivion. Other people become well-known and respected — valuable to society. Yet all are "just people", — people who have likes and dislikes, interests and weaknesses like ourselves.

Are some men born great? Could it be that the superior intelligence of a man makes him such? Or is a man great because he wants to be? Or is it just luck?

I think it is none of these. Nor is it entirely God's will that makes some men great. Rather, it is accomplished by making the most of what we have. It is forgetting how great we are in the eyes of others and determining within ourselves that we will do the very best possible with the potential God gave us.

"Greatness lies, not in being strong, but in the right using of strength; and strength is not used right when it serves only to carry a man above his fellows for his own solitary glory. He is the greatest whose strength carries up the most hearts by the attraction of his own." — Bryant

## A Letter to FMB

I would like to express my appreciations for your prayer and sacrifices for the cause of the foreign missions of our church. It was during the school year of 1951-1952, your FMB took a project to give 30 gospel records to my father's church: Sapporo Church of the Nazarene, Hokkaido Island, Japan.

The project was suggested by Mr. D. A. Jackson of Spokane, Washington. The records cost approximately \$85.00. And the package was mailed in the later 1951.

Upon receiving the records, my

father raised money from the local congregation to put a loud speaker system at the top of the church tower. The speaker was loud enough to reach five blocks from the church and the music was sent out into the air fifteen minutes before every service. Within six months after this gospel music broadcast begun at the church, five people, among many others, testified that they came to the church and found Christ as their personal saviour because they were led to the church by the gospel music.

I thank you for your help and taking a part of His kingdom in Japan, but don't you think it is cheap to spend only \$18.00 to gain one soul into the kingdom of God? The records are now being used at Kumamoto Church of the Nazarene, the oldest Nazarene church in Japan (organized in 1913), where my father is now the pastor.

May His rich and abundant blessings be upon you and your missionary group for years to come.

Yours in His service,  
Terry T. Yoda

## Dear George

By Jan Johnson

It's a good thing you aren't a girl reporter. Who said if women ever get equal rights it will be quite a come down for them? It's bad enough getting shoved around by the men, but when they send you to Tibet to cover an Alaskan Dog-Sled Race you'd just as soon quit. But if you have an Editor-In-Chief like Duane, you wouldn't really care if he sent you to the moon in a square box. He's just that kind of a guy.

Say, George, you certainly are the best typewriter I've ever had. If it weren't for this trip to Tibet, I wouldn't give you up for anything. And if anyone asks who Mr. Smith is — don't tell him. And just to calm the uproar about the kids in square boxes, pretend you don't know a thing about it. That will give people something to talk about in years to come. They'll look back and still be wondering who Mr. Smith really was, and their grandchildren will ask if he ever brought back the twenty-six students. What publicity for NNC.

Anyway, George, I appreciate everything you've done and all your noble services, and I want to wnt wehx yuuu un vopyi. ( cmf hrd xz\_e ta rdl fw ? (| xz Oh, George!

## LSPs Defeat SLAs

The LSPs won their 4th straight softball game Tuesday, edging the SLAs 10-8. The LSPs have now cinched at least a tie for the championship.

The game was close all the way, and, as seems to be the custom, the LSPs could do nothing wrong. The SLAs rallied in the last of the 7th inning, but fell short as the LSPs continued their winning ways.

## OLYs Win Over ADPs

Playing heads up softball the Olys moved into undisputed 2nd place behind the league leading LSPs with a 7 to 5 victory over the errant ADPs.

The Olys used two double plays to cut short two valiant attempts by the ADPs. In losing, the ADPs slipped into a last place tie with the SLAs.

## ADPs, SLAs win

The Oly girls made the ADPs hustle to keep their ten-game winning streak when Ruth De-water held the ADPs to 4 runs and the Olys tied it up in the top of the 5th. Then Nancy McConnell hit a double in the bottom of the 5th to score Cordey Hagemier

and end the game 5-4 in favor of the ADPs.

The SLAs retained their number two position when they overpowered the LSPs 16-9. Willie Barber sparked the SLAs not only by her pitching but by consistent hitting.

## CHS Sports

By Dave Jackson

The CHS Trojans beat the Melba Mustangs to the tune of 7-0 Friday. The teams drove one another up and down the field until the three minute mark. The Trojans had the ball in their possession on the 43 yard line with less than three minutes remaining in the fourth quarter. Larry Hull received the ball on a hand-off from fullback Bill James, and carried it for forty yards. Shifting into a single-wing formation Jerry Hull carried the pigskin around right end for the TD. The same play was repeated for an extra point. The Mustangs were held down and the game ended with the ball in the hands of the Trojans.

Today the CHS grid team travels to Boise in search of their fourth win. The Saints, from St. Teresa's Academy, will be hosts to the Trojans in an afternoon game. The Trojans defeated the Saints in their last combat on the 23rd of September.
